

18 March 2014

Dear Shareholder,

As an unlisted public company, we are required to make material information available to shareholders as soon as practicable. This forms part of the Company's continuous disclosure (CD) obligations.

We are writing to notify you that the Company will comply with the Australian Securities and Investments Commission's good practice guidance for website disclosure of CD information. In the future, material information will now only be made available on a timely basis at our website at www.arbortech.com.au.

Generally speaking, we are aware that in the past not all shareholders have accessed the website to keep up to date. We forward the attached letter to update shareholders in regards to progress with the Hammersaw Technology. However, going forward, this kind of information will only be accessible at the Company's website.

Kindly check the website on a regular basis to keep abreast of the Company's affairs. If you have any questions about accessing this information please call on 08 9249 1944 or email me at christine@arbortech.com.au.

Yours sincerely,

Christine Taylor
Company Secretary
